CITY GLASS
— PREMIUM —

Established in 1986, City Glass has been dedicated to crafting exceptional glassware products. Our mission revolves around producing top-tier glass items using premium Soda-Lime materials and cutting-edge technology. Our facilities encompass various production types, ranging from handmade to semi-automated and fully automated press techniques, segmented into four distinct brands.

In our fast-paced lives, we often overlook the richness of countless special moments. At City Glass, we are committed to illuminating these fleeting instances through practical, affordable, and elegantly simple designs.

Our glassware products include an array of items such as mugs, stemware, tumblers, bowls, candy bowls, fruit plates, jugs, and tajins. Through City Glass Products, we aim to offer exquisitely artistic glassware that seamlessly merges decoration with functionality, adhering to our rigorous quality standards while prioritizing thoughtful design and meeting our clients’ needs.

Our commitment is to satisfy those who appreciate the craftsmanship of original glass artisans, whose work serves as the inspiration behind the exceptional glassware at City Glass.
